Remarks

In response to the Office Action issued on October 31, 2006, Applicants have amended claims 1, 27, 28, 32, 34, 35, 37, and 38. Claims 3-4, 6-9, 11-26, 29, 30, 33, 36, and 39-45 remain pending.

The Examiner rejected claims 37-39, 44 and 45 under 35 U.S.C. 101 as claiming an invention directed to non-statutory subject matter. Specifically, the Examiner objected to the description of the distal end "which is inserted into the body organ when in use". The Examiner allowed claims 1, 3, 4, 6-9, 11-30, 32-36, and 40-43.

Applicant has amended independent claim 37, on which claim 44 depends, and independent claim 38, on which claims 39 and 45 depend, to clarify that reference is made to insertion into the body organ simply to identify which end of the catheter is the distal end. Accordingly, claims 37 and 38 now provide for "a distal end adapted to be substantially inserted into the body organ when in use". For purposes of consistency, similar changes have been made to claims 1, 27, 28, 32, 34, and 35.

In light of the foregoing, it is respectfully requested that the Examiner allow claims 1, 3, 4, 6-9, 11-30, and 32-45. The Examiner is encouraged to contact the undersigned attorney by telephone to resolve any remaining issues.

Respectfully submitted,

By:
